THE DONG-A ILBO.

NEWS IN BRIEF,

great sensational revealation has been be recently, according to The Japan riter, by a book of reminiscience en by Wickham Steed, the famous of The London Times under the Northmanagement. We are told that Georges Clemenceau, the former Fremer of France challenged David Lloyd George, the ex-prime minister of Great Britain, to a duel either with pistols or with swords, at a session of leading diplomats during the Paris Peace Conferencer Clemenceau accused Lloyd George of inaccurate statements. The Welsman arose from his National extract the Expension of the Parish which and extract the Expension of the Parish which are th chair and seized the Frenchman by the collar, and demanded an apology. Wood-ow Wilson, the Hamlet for the cause of row Wilson, the Hamlet for the cause of peace, separated them. The "Tiger," however, instead of making the spology as demanded, offered to fight the "Welsh Witch," provided that the latter would acquire a domicile in France and thereby becoming eligible to fight a duel. It is but a few days ago that General Caribaldi challenged Premier Mussolini to duel. A "Peace" Traedy born of the warlike European spirits must needs have inherited sufficient germs of future wars. ed sufficient germs of future wars.

The latest despatch from Tientsin say that Tuan Chijni has chosen for the Presidency of the Republic of China and that he will get the title "Political Superintendent''(監政) instead of "President.' It sounds as red as "a comrade com-

Although there this as yet no official instructions from Tokyo on is point, said Mr. Nagano, the Chief of the Educational Department to our representative, military training of school boys will and should be introduced into the schools of the middle middle will be a subjected to the schools of the middle will be schools of the middle will be subjected to the schools of the middle will be subjected to the schools of the middle will be subjected to the schools of the middle will be subjected to the schools of the middle will be subjected to the schools of the middle will be subjected to the schools of the middle will be subjected to the school of the sch introduced into the schools of the middle grade as well as collegiate standing in Korea. But as there have been many objections to the plan such as that no Korean is eligible for military service and that it would be burdensome to the Korean boys, he went on to say, the problem of giving a military training to Korean school boys needed a special consideration. The reasons sound somewhat wileful but our bys wouldn't mind to dispense with such
